

## **Billing for individuals on ID Waiver**

In order for a provider to be eligible for re-imbusement, they must be enrolled as a Medicaid Fee-for-Service (FFS) dental provider (Provider Type 22).

The provider must go to the FFS Medicaid portal [HCP Provider Portal > Home \(nv.gov\)](#) and log in (you may have to register if you have never billed Fee for service before). You must verify eligibility of the patient through the eligibility tab, it must show Intellectual Disabilities and Medicaid Fee For Service Waiver than submit claims through the claims tab.

Also, please see **Web Announcement 3034**, that can be found on the NV Medicaid website, [3034 \(nv.gov\)](#), that can assist the dental providers, as it's a great resource for the dentist that helps explain the new ID Waiver.

## **Interested in caring for individuals on ID Waiver**

If a provider isn't currently a Medicaid provider but is interested in caring for Medicaid clients on the ID Waiver, we would love to have them join the network!
